

TECHNICAL SPECIFICATIONS & HARDWARE SCHEDULE - SV-TRANS-2026-044
Sun Valley Regional Transit Authority

Product Name: Commercial Bus DC Fast Charger
Model Number: EVX-FC180 Dual-Port DC Fast Charger
Part Number / SKU: EVX-180-CCS1-480V
Requested Quantity: 24 Units
Manufacturer for Registration: EVX Power Systems

Key Technical Specifications:

- Output Power: 180 kW continuous DC output with dynamic power sharing
- Input Power: 480V AC 3-Phase, 60Hz
- Connectors: Dual liquid-cooled CCS Type 1 dispensing cables (7-meter length)
- Network Protocol: OCPP 2.0.1 JSON compliant with automated transit fleet management integration
- Environmental Rating: NEMA 3R / IP65 outdoor enclosure rating
- Operating Temperature: -30C to +50C
- Warranty: 5-Year Full Comprehensive On-Site Parts and Labor Manufacturer Warranty
