

Vendor Compliance and Affidavit Requirements

Bid Number: NB-IT-2026-014

The following documents must accompany the submitted proposal: signed bid form, W-9, manufacturer authorization letter, and non-collusion affidavit.

The bidder shall certify that the proposal has not been prepared through collusion with another bidder.

The manufacturer authorization letter must confirm that the bidder is authorized to sell and support the proposed NetAxis Systems equipment.

Failure to provide a required document may result in the proposal being deemed non-responsive.
